# The teachings of our ancestors warrantor of the essence of our folk

More and more young people discover, driven by rumbling divine self within them, love and the urge to explore, the roots of our noble race. It should be crystal clear to anyone gifted with even the slightest bit of intelligence, that we are not all just "human beings". In the deep of the veiling lies the core of the being, which has been hidden for many thousands of years by the shadow powers and was deliberately kept from us.

## But WHO or WHAT are we?

Why did the satanic anti-life sect, known as the "Church", cruelly go after so many of our people and slaughtered them using unthinkable methods? These inferior subjects are animal-humans, who are not capable of attaining the high spirit "JESUS CHRIST", and so they tried to eliminate the highly spiritual in reformations and wars. Appointing themselves always at the top of the world, as a power-executing organ for the control and management of human beings, the lowest subjects of this planet succeeded in their leadership solely by force and murder.

That we of the light race are not to be lumped together, has quickly become clear to every thinking individual, especially at a time, when the Vatican was communicating the order to **kill all green-eyed children immediately after birth** to all its european branches. What, one wonders, slumbers in the souls of those beings, who entered this earthly circle with green-permeable pupils? You are studying the message of a representative of the Greenlands at this very moment. The grassland on the other side includes all worlds, it also includes this earthly realm. The majority of people living on Irtha has no knowledge of the worlds of different frequencies. Few children of Irtha, about 1.8% of the bright, have a special potential to combine the Greenlandic beyond with their perception of this earthly realm in a spiritual context (creation), but only under extremely strict conditions, namely: the perfect purity of the triune being. Veganism alone is not enough for such highly spiritual requirements (More about this elementary field of knowledge of the origin of the wise Race in the "WISSENSBUCH OF THE ILU LEHRE", ... after repeated studying of the wisdom contained therein).

As soon as the awakening FREE SPIRIT appeared in the people of different colored souls of the ancient Europe, the sectarian church, which was in distress as a result, began with its martial slaughtering. It's hard to imagine, why people still exist in this supposedly awakened time, VOLUNTEERS, who, in order to worship the GOD LIVING WITHIN THEM, enter such a bloodied construct, commonly known as the church. The connection between the Church and mass murder should be sufficiently known to the awakened. Perversion, satanic masses, child rape and murder, and unimaginable horrors against our beloved animal brothers and sisters, are just some of the serious charges. Why, Hajo Müller, are you kneeling in a church?

Here are a few testimonies of the atrocities the awakened of that time had to endure:

To inhibit the rising thought of freedom, the Roman Church, on its march north, executed a total of about **7.5 million Rujans (Rugans)** of the Central Nordic people. Women, children,

old people, what moved was mercilessly slaughtered. Allowed to remain on earth was, whoever followed the teachings of the "Fire & Sword" of the Church of the animals-humans of ROME. No more than 500,000 Rujans escaped the executions by bowing their heads before the church dignitary. At the beginning of the 15th century, Jan Hus tried to reform the church in Prague. He was, **despite assurance of free escort by the German emperor**, burnt at the Council of Constance in 1415, as well as in the following years many of his followers in Germany: Nikolaus von Dresden, Stephan of Basel, Friedrich Raiser and the mayor of Zittau with 12 other citizens of the city, to name a few. (*The historical magazine "Back then", No. 7/1994*)

During and after the Reformation period, supporters of the Reformation were also occasionally victims of the Catholic Inquisition, especially in Southern Europe. Nevertheless, all state-church denominations, the Catholic, as well as the Lutheran, the Zwinglian and the Calvinist united in the fight against and murder of followers of smaller groups such as the brothers and sisters in Christ, called "Anabaptists" by church members.

1527 the Baptist Felix Mantz was executed in Zurich, 1528 Balthasar Hubmaier in Vienna, 1536 Jakob Hutter in Innsbruck. The Count of Alzey in the Palatinate, after executing 350 Anabaptists, is said to have proclaimed "What am I going to do? The more I kill, the more they number." (*Gerhard Wehr, "Reformation of the Anabaptists", in "The Coming of Age", 25.11.1983*) The Anabaptists were generally known for their peaceful and impeccable way of life. When Kaspar Zacher from Waiblingen was suspected of having been baptized, he stated in his defense: he swore recklessly, cursed, unlawfully owned arms, and was quarrelsome - so he could not be an Anabaptist.

In France, the Huguenots, the French Protestants, were bloodily persecuted. In 1572 in Paris in a single night, St. Bartholomew's Night, **between 3000 and 5000** of them were killed. For someone who wanted to follow Christ\*, there was a great danger of being murdered, especially during the time of the Reformation. This danger was then even greater than before, since the "reformers" wanted to be "better" church people and therefore often took particularly cruel action against deviations, to prove their allegedly "right" faith (In this sense, in our time also sect commissioners of the evangelists are usually more mendacious and inquisitorial, than Catholics). And so it continues in the article under the keyword "Anabaptists":

"At the second Reichstag in Speyer in 1529, a mandate was passed, that installed the death penalty for the Anabaptists [i.e. the original Christians at that time] by imperial law... The so-called Anabaptist mandate of Speyer created the legal basis for a large-scale persecution of the Anabaptist movement; it had the following content:

- (1) Whoever has been rebaptized or has undergone rebaptism, whether man or woman, is to be punished by death, without the need for a spiritual inquisition court to act first.
- (2) Whoever revokes his confession of baptism and is willing to atone for his error shall be pardoned. He must not, however, be given the opportunity to escape permanent supervision by being ordered to another territory, and possibly relapse. Persistence in insisting on Anabaptist teachings should be punished by death.
- (3) Those who lead the Anabaptists or advance their instructions should 'by no means', even in the case of revocation, be pardoned.
- (4) anyone who has relapsed after a first revocation and revokes again shall not be pardoned. He'll get the full penalty.
- (5) Anyone who refuses the baptism for his newborn children is also subject to the penalty of rebaptism [i.e. death penalty].

- 6) Anyone from the Anabaptists, who have escaped to another territory is to be persecuted there and brought to the punishment
- 7) Anyone of the officials, who is not willing to proceed strictly according to these orders must expect imperial disgrace and severe punishment".

The seventh article of the "Anabaptist Mandate" listed here is particularly devious, in that it also threatened to kill those Catholics or Lutheran thinkers, who took pity on the Christians persecuted by the Church and didn't want to murder them. At this point at the latest the still young protestant "Reformation", which together with Catholicism also brutally suppressed the persecution of Christians, was completely unmasked (for more on this see also in [The Theologian No. 1](#)).

The first "ecumenical" persecution of Christians in Germany began, after the Christians of that time had already been massacred alternately by Catholic or Lutheran rulers. One example of many is Eitelhans Langenmantel, a respected patrician from Augsburg (1480-1528), who was first arrested during a wave of arrests against the "Anabaptists" in September 1527 and whose head was then cut off on May 11, 1528 by the envoys of the Swabian **Union**\*\* of various catholic and protestant authorities, because of his faith (see portrait on the right of Albrecht Dürer). The same happened to his servant, while the confessional authorities had drowned his maid because of it. "In his writings, published in 1526 and 1527, Langenmantel attacked Roman Catholicism and - much more sharply in tone - the still young Lutheran Reformation movement. He presented them as the 'new Papists'; claiming they were false prophets and even more captivated by greed, than the old papists.

**\*Christ**, the recognition of the "Holy Spirit", living in sincere and loving human beings. Christ was never "human", just as Odin was never a man on earth. In these representations of former metaphors we only find the actual gratitude of those people who have the Holy Spirit at their disposal as a tool for creation, in contrast to the lower subjects, who can be found today, and also in primeval times, in politics and world control.

**\*\*UNION**: Once again, the term used by satanism appears, which since the beginning of the second millennium again and again marked those murderous bastards of roman satanism **B'NAI B'RITH** - THE SONS OF THE UNION-, refers to a sect, that operates strictly according to satanic rules, which today has its seat in ISRAEL, from where it controls its puppets ("**children of the devil**"), like Angela Dorothea Kasner.

And now ask yourself, dear reader, what high race you descended from and why especially the WISE race has been so viciously and destructively persecuted throughout all time by the inferior. Not the Thirty Years of War or the two parts of the war of the twentieth century was the cause of the fall in number of our people, murder happened at all times. The true case numbers have been blurred by the manipulators. Any location, where wise people used their holy knowledge, to bring it to blossoming life: BABYLONIANS, TEMPLARS, CARTHAGINIANS, VEDRUSIANS, GERMANS, as the last heirs of the Babylonians and Carthaginians, satanic annihilation carried out its deeds. In us shines the light of the former brightest of this world. The three great nations had to lead various wars (four in Babylon, three in Carthage, two in Germany) of this earth, the last one being the war of our history, which has been going on since 1914 and is coming to an end these days.

The "hyper-epidemic plague", known to us as the devastating plague of the Middle Ages, had, according to records from numerous church documents, solely fairy tale character, whereby the "Fairy Tales" by the Brothers Grimm were true. Thousands of Vatican agents poisoned the drinking water of villages, towns and cities, whereupon countless people threw up in pain, bent bodies, hovering between life and death, everywhere in the streets and alleys. The transport of stretchers had been prepared a long time in advance and sufficient personnel was available for this immediately, since one allegedly wanted to avoid infection by the VIRUS. Does this procedure is known to you in any form, beloved comrade? People, only poisoned by water, were carried off by

the stretcher transporters, promising the suffering and their families immediate healing, IF THEY IMMEDIATELY TRANSFERRED ALL THEIR BELONGINGS TO THE HEALERS OF THE CHURCH!! After transfer the of ownership, the suffering were killed. Well, dear reader, these insights already sufficiently remind us of the actions of today's satanists ...don't you think?

As always, since the assumption of power by the sub-humans of ROME striving for MATTER (they were not able to let the Holy Spirit do the work for them!), they are only interested in money and property, in the supremacy on earth. Despite the prohibition of all churches in the empire by our Kaiser Wilhelm II., the Vatican, through its agent Rothschild, owned **84% of all private property** of the Reich's citizens, until the foreclosure of all slavish instances (on 25 December 2012). People, who financed their property by means of mortgage loans were not the legitimate owners. Anyone, who registered a vehicle with a municipality or city ("STRASSENVERKEHRSAMT"), has always been the "keeper" of the vehicle, with the right to use it, until revoked ... all this voluntarily and without complaining!? The same applies to real estate. Once these are registered in the Satanists' LAND REGISTER, the short period of ownership of the buyer, which occurred between the purchase of the property and the entry in the land register, ceased. Ultimately, and in spite of the emperor's legal stipulations, concerning the unambiguous ban of the church, since 1918, ROME has once again taken over the majority of all German property. After all, the occupying forces belonging to ROME during their illegal siege of the war zone, imposed on our utterly helpless homeland, the WEIMAR REPUBLIC, then the FEDERAL REPUBLIC, all with the ulterior motive of possessing the Holy People of Middle-earth in its entirety.

So much for the speedy explanation of our people's history. But how do we escape the worldwide satanism, especially in view of the fact, that the German Empire is not only lacking in men, but also lacks true fighters and strength? German gentleness is doomed to perish, unless a truthful one comes along, who dares to come here and finish off the satanic rabble. I explained several times already in my writings, what the blue-blooded primarily defines: inbreeding and the resulting weakening of the immune system resulted over the generations in a disease-related syndrome, which can reduce the production of certain healthy substances produced by the body, and later on may stops it completely. Melatonin is missing from the said "blue bloods", which in its synthesis produces tryptophan.

This messenger substance is essential for the development of highly spiritual abilities and for the development of spiritual, gentle and progressive thinking, especially in regard to the Holy Spirit - the Third Eye. As in any time of the millennia however, "blue-bloods" were considered the most outstanding race, kept at the head of mankind by force. A comparison with albinos would be aptly, who, if they would claim to be the better seers with physical eyes, received mockery and laughter.

Exceptions confirm this rule, I am aware that the line of the Hohenzollern is **not** about blue bloods! The best thing, that could ever happen to our people were the kings Friedrich Wilhelm I. and II.

Our holy people do not need a monarch of blue blood. Healthy, robust and knowing ancestors, who were initiated into the laws of the cosmos and consciously accept them as an institution for the people and the homeland, is all that is needed. A "**COUNCIL OF THE 13**" was once proposed by awakened minds of people, who decides of the matters of the respective region, taking into account all those entitled to vote in the region. This Council is renewed each year by 6 out of 13 (or 7 out of 13) (seven remain from the previous year and will be replaced in the coming year) and so everyone can do merit for the people and the homeland, who brings to his position wisdom and love.

Co-determination in the immediate surroundings, the immediate region, is a valuable piece of the connection to the home-country. It does not require a great empire, in which the one end has nothing, really nothing, in common with the other end. I lived with a Frisian once, which is basically a Prussian tribe. With the Brandenburg-Prussia I know, these people had alike, the amount

fire resembles water. That's not where I belong, my homeland is Brandenburg-Prussia, with it I feel like a body with a soul.

Our goal is to build up the individual provinces, in which people know, appreciate and protect each other. There is no need for an army, a CITY, a GOVERNMENT, TAXES and CHARGES, as long as the people are aware of a clear course and are conscious and in agreement. The tribe protects each other. Male children, from the age of 12 years of age, are involved in the defense of the tribe, learn from the leaders to defend the homeland, elementary strategies and willpower, to protect it with their own life in case of emergency. The armament of the respective region is subject to the wishes of the members. The cultivation of true food will be made according to need. There is no need for import taxes, are the people free in the choices of their food, with one difference: Food resulting from suffering is given up for the benefit of the people! A local and consciously acting community, works better by itself and for the benefit of all, as soon as all foreign control is taken away from the area. I presented this project and further thoughts about it to the wise Vladimir Putin, a brother of our bright people. His answer to this was...

Der Sieg dem Heil.
